

**Remembrance of Love ~ September 11th, 2011**  
**Hands-Within-Hands Around the World for Oneness**  
**9:11 AM**

The Temple of 911 was created shortly after the Twin Towers Tragedy by the Spiritual Hierarchy with Christine Meleriessee as the facilitator. It is a place of healing for many of the incarnate and discarnate levels. We meet on Monday evenings to assist ourselves, others, and the planet of Gaia.

We are taking this time to honor each of these souls along with all souls that have come in and out of the Temple since that ill-fated day. It is a temple of healing for many in the last 10 years. Soldiers, wounded souls in all walks of life, victims of disasters a round the world are just a few of the examples.

On September 11th, 2011 let's take a moment at 9:11 in the morning to honor all souls in Oneness. Come together with family members, neighbors, or strangers for a moment of silence. Sing, Chant, and Embrace One Another ! Let's unite our Soul Families together !

**Suggested Prayer:**

As I stand here I hold my hand onto yours;  
My Heart connects to your Heart,  
I Am One With You and All of my Sisters and Brothers,  
As we create a Circle of Light Around the World,  
For Peace, Love, and Joy Together,  
WE ARE ONE!
